A dramatic scene of a cave opening. On the left, a bright, glowing light streams through a jagged rock opening, creating a starburst effect. The interior of the cave is dark and textured with rock walls. The overall mood is one of hope and emergence from darkness.

Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.
